Dear Mr. Taylor:

We are very pleased to officially notify you that **Fox Hill Apartments** has won first place in this year's AGC Texas Building Branch's Outstanding Construction Awards (OCA) competition in Category RMF (Residential Multi-Family). The projects were judged by a distinguished five member panel of professionals involved in the construction of projects throughout Texas.

The Texas Building Branch-AGC will present the award for this project at our 34th annual convention to be held June 19-22 at the Barton Creek Resort, near Austin. The Awards Dinner will be held Tuesday evening, June 21st.

We invite you to join us for the entire convention and receive your award in person. Information about the convention and registration can be found on the AGC Texas Building Branch website at: <http://www.agctbb.org/> by accessing the "Convention" link. We have attached registration forms for the convention, and for the "dinner only" as well.

Again, congratulations! We look forward to seeing you in at Barton Creek. Hotel reservations are due May 19 and will fill quickly. Please make your reservations promptly.

Sincerely,

Tom Vaughn, Chairman
AGC TBB Board of Directors

cc: Centex Chapter; AGC of America

*P.S. Please fax your reply to the Texas Building Branch at 512.478.1618
Please note this is NOT your registration, but merely a winner's attendance confirmation.*

YES, we *will* be attending the convention *and* the awards dinner.
The following individual(s) will be in attendance to accept the award.
