To Whom it May Concern:

We are pleased to recommend William Taylor & Co, Inc. as a General Contractor to any company or developer that is considering new construction. San Jacinto Realty Services, LLC has had an established business relationship with William Taylor & Co., Inc since our first development in Waco, Texas in 1998. Since that initial development William Taylor & Co., Inc has assisted us in successfully constructing Twenty-two apartment properties in eight Texas cities consisting of a total of 2,200 units.

During each of the aforementioned projects, the construction was completed satisfactorily and in a timely manner. All of the General Contractors staff are professional and complete their duties with competency and dispatch. The individual job sites always appeared safe and clear of excess debris.

We continue to place William Taylor & Co., Inc. on our short list of preferred contractors and have no hesitancy in referring them to others. I welcome the opportunity to be contacted directly by potential construction clients. Please feel free to call me at 713-785-6006.

Sincerely,

Albert E. Magill, III
